The Muzrai Commissioner in Mysore.

To

P. Srinivasa Iyengar, Esq., P.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to G.O.No.2206-8/Muz.355-26 dated 13th May 1927 sanctioning the grant of 3 acres and 28 guntas out of S.No.147 of Chikkairahalli village, Krishnarajapet Taluk, to one Ahamed Ali Sha Khadri Kirkapesh free of upset price, for the purpose of performing Urus on the Nishan Gudda situated near the village, the grantee being put in possession of the land after the stones collected on it are removed etc., I have the honor to forward herewith a copy of letter No.H. 54/28 dated 26th July 1928 together with the connected records received from the Deputy Commissioner Mysore District and to state as follows:-

The stones collected on S.No.147 were removed by the Public Work authorities and then the Amildar wanted to issue a saguvali chit to Ahamed Ali Sha Khadri Kirkapesh, as per G.O. under reference, but the Executive Engineer Dam construction Division seems to have objected to the issue of the saguvali chit on the ground that the G.O. was not sent to him through proper channel. The Executive Engineer has also raised a series of objections against the grant of the land viz. that the land is in the reserved area of Krishnaraja-Sagara, that between the Hammanahalla and the dam, that Mr. Krumbiegel as Director of Agriculture has sent a proposal to raise sugar-cane seedlings in the reserved area, that there is a proposal to open waste- ... on the north Bank and if it materializes it will entail

entail acquisition of this number again and that during high floods the land gets submerged in the portions towards the river and states that the land cannot be given to the party until these points are finally settled by addressing the Government through the Secretary Krishnaraja Sagara Works.

In view of the objections raised, I am of opinion that this -- grant may be cancelled and another grant of equivalent extent given to the party.

On receipt of your reply the Deputy Commissioner will be asked to select some other land in an unobjectionable locality.

I have the honor to be,

Sir,

Your most obedient servant,

M. Chennaya
Assistant Commissioner
for Mysore Commissioner.

2. The Sub Division Officer, French Rocks, reported that before the grant was recommended for sanction the special land Acquisition Officer, Krishnarajasagara, had been consulted and that as per Government Order sanctioning the grant, the grantee had to be put in possession of the land after the stones collected on it by the Krishnarajasagara Engineering authorities, are removed. The Sub Division Officer was instructed to ask the party to select other land unless he would wait until the land granted was available.
